Dear Ashmit,

We are excited to extend this on behalf of BlackHole Infiverse offer for the role of AI/ML team, situated within the vibrant ecosystem, a leading-edge entity currently developing and advancing through the final stages of licensing. Within this progressive environment, our team pioneers the exploration of digital frontiers, challenging norms, and shaping the landscape of interactive experiences.

Position: AI/ML (Internship)

Start Date: 26/08/2025

Duration: 6 months

Stipend: First month unpaid 2nd to 6th month ₹8,000 per month

Internship Responsibilities:

1. Collaborate with the coding team and project leads to design and develop captivating content using multiple front end and backend algorithms, programs, software and AI.
2. Assist in the creation of game play blueprints and contribute to enhancing user experiences for overall content.
3. Support the development of innovative features and mechanics to engage players and elevate the overall content experience.
4. Gain hands-on experience in implementing content design concepts and troubleshooting technical issues.
5. Stay informed about industry trends and emerging technologies to contribute fresh ideas and insights to our projects.

Potential for Full-Time Employment:

Upon successful completion of the internship and demonstration of your capabilities, there is the opportunity for you to be considered for a full-time position with BlackHole Infiverse. We value talent and dedication, and we are committed to providing opportunities for growth and advancement within our organization.

Terms of Internship:

Your internship with BlackHole Infiverse is for a duration of 6 months, beginning on 26/08/2025 at 09:00 am, reporting to our Mumbai office. The stipend offered 2nd to 6th Month is ₹8,000 per month. Your performance and contribution during the internship period will be closely evaluated for potential future employment.

Please confirm your acceptance of this internship offer by signing and returning this letter by 26/08/2025. If you have any questions or require further information, please feel free to contact us at +91 98339 44944.

We are excited to welcome you to our team and to provide you with the opportunity to gain valuable experience and contribute to our projects. We look forward to working together and to the possibility of your continued involvement with BlackHole Infiverse.

Warm regards,
Yaseen Shaikh
Project Manager
